Foreword

In 2020 I called out to abstract artists from Victoria to apply for our third biennial - Of Colour & Light. Over 120 applications came through.

This online catalogue compiles the artworks of eighteen artists that couldn't be in the physical show due to various reasons, space being one or distance/Covid restrictions being the other.

It gives me great pleasure to see young rising artists working alongside the established ones.

These artists' works will be promoted through our website and social media accounts and hope to see them exhibiting in our next Biennial in 2022.
